Garmin 128 GPS.

Cockpit cover (tent).

Battery charger.

240 Volt shore power with immersion heater to hot water tank.

Teak seats at stern rail (“pushpit”).

There is a “gate” in the guard rails on both sides.

Double bow roller.

MODIFICATIONS BY TRANSWORLD YACHTS (HR agents in UK)

Reefing lines to cockpit (turning blocks and Lewmar clutches on coachroof).

Zinc anode to hull.

Anchor windlass (see below).

Kiwi sailing propeller and rope cutter.

GENERAL DESCRIPTION

A sea-kindly cruising yacht built in 2003,, model year 2004, in excellent condition.

Still in original ownership

Paperwork includes VAT receipt and British Part 1 Ships Register

The name “Caritas” is Latin for “care”. We have cared for the boat and Caritas has looked after us in some very bad weather.

MAST, BOOM & RIGGING

Seldén mast with in-mast furling replaced 2013. There are some superficial scratches on the mast.

Seldén boom replaced 2013.

All standing rigging also replaced 2013, including turnbuckles (“bottle screws”).

All running rigging replaced 2013 (Dyneema).

Furlex reefing for genoa (original equipment).

Gas strut for rod kicker.

6:1 mainsheet blocks replaced with 2-speed mainsheet (4:1 / 8:1).

Lewmar “48” 2-speed self-tailing winches for genoa.

Lewmar “16” self tailing winch in cockpit for mainsail lines (and 2 on mast)..

Gybe prevention line.

SAILS

Laminate genoa with grey ultra-violet protection 2014. 38 square metres.

Laminate mainsail for in-mast furling 2015. 32 square metres.

Cruising chute (red, white and blue) with “sock”. Very little usage.

Sail ties and sail bags.

“IRON MAINSAIL”

Motor is Volvo Penta D2-55 which has been serviced every year (approx. 2,000 engine hours).

Propeller shaft - rubber seal was replaced in 2016.

Kiwi feathering propeller (new blades 2013). See www.kiwiprops.co.nz

Rope cutter on propeller shaft.

Spare propeller blade and the bronze Volvo propeller is in the engine room.

Black “motoring” signal cone

DECK GEAR

Rocna 20kg anchor (in use from 2015).

50 metres galvanised chain marked every 5 metres. 5/16” (8mm) chain.

Lofrans 1000W anchor windlass (chain and rope gipsy). Foot controls at bow only.

Short line with rubber “snubber” and chain hook.

Hallberg-Rassy bow ladder (5 rungs).

Stern ladder.

Bruce/Claw anchor at stern with anchor davit and Ankarolina tape on spool.
