*Responsible broker: Lars Legarth, email: [lars@baadagent.dk](mailto:lars@baadagent.dk), phone: +45 4054 8722*

**HIN/WIN No.: 86-02**

**Engines: Aifo IVECO 8061SRM25 (from 1998)**

**Engine No: 464631**

**Shaft with 4-blade propeller, hydraulic gear**

#### **General description:**

Valkkruiser is built in the Netherlands, the country that for many years has built a reputation in the marine industry for building quality boats in steel. And the Valkkruiser 1300 from the Van Der Valk shipyard is no exception. The boat is one of a larger series of motorboats that have come out of the reputable Dutch shipyard over the years.

This is a well-arranged motorboat with good sailing performance, but also a boat that is suitable for living on board, for those who may want a movable houseboat, or a boat suitable for canal sailing. The boat can be used all year round and is equipped with Kabola heating system with waterborne radiators that ensure heat throughout the boat all year round, as well as windshields to avoid condensation.

*The list of equipment is based on information supplied by the owner. Any equipment in addition to what is listed above is at the seller's discretion.*

**Specifications:**

LOA 13,00 m  
Beam 3,65 m  
Draft 1,10 m
