Stern cabin

2 LED lighting fixtures in ceiling, new (2015)

4 LED lighting fixtures above berths, new (2015)

2 Ocean Air shades

Removable partition to create master stateroom with separate entrance to washroom

2 fire extinguishers, new (2014) not installed

Power outlets: 2 12 V outlets and 2 230 V outlets

Clothing hooks – several

Stern cabin – under mattresses

Transparent inspection hatches on diesel tanks, new (2014)

Suction pipe for diesel tanks, new (2015)

2 240 litre diesel tanks with transfer pump

Diesel tanks cleaned in 2014

Stern cabin – under small floor, starboard

Contacts for connecting solar panels

Stern cabin – under/in white hatches, new (2014)

Oil – spare

Antifreeze – spare

Puller for Gori propeller

Cables and cable lugs for 12 V

Seawater filter – spare

Zinc saver – spare

Charging distributor – spare

Circuit breaker, 90 A – spare

Engine paint, original Yanmar, new (2013)

Diesel pump, electric, 12 V with hoses and couplings, new (2014)

Water pump, electric, 12 V with hoses and couplings, new (2014)

Batman BMV 600 S, Victron Energy, spare display

Stern

DSC antenna – for HF/SSB radio

LEDs in stern lights

Bathing ladder with handgrip

Bathing platform with teak

Sealing – Sikaflex – between hull and stern, new (2014)

Stern compartment

Delta anchor, 20 kg

High tension shackle, same failure load and SWL as chain, new (2015)

Trip line, Dyneema, for Delta anchor, new (2014)

Chain wheel for anchor winch, Lewmar, new (2015)

Coloured chain markers every 10th metre, colour chart on inside of compartment, new (2014)

Connectors for solar panels, new (2015)

Chain, 105 metres, 10 mm ISO 4556 calibrated, new (2014) & 3-strand line, 46 metres, 18 mm, spliced

2 wear plates, stainless steel, new (2014)

Documentation

Brochure, Sun Odyssey 49 Performance (Jeanneau, PDF format & printed)

Original receipt with specified EU VAT

Builders Certificate (Jeanneau)

Bill of sale

Inventory specifications (Jeanneau, PDF format & printed)

Rig specifications (Jeanneau, PDF format & printed)

VPP diagram (PDF format & printed)

Technical specifications (Jeanneau, PDF format & printed)

Test from the German boating magazine Yacht, issue 10/2004 (PDF format)

Dimensional certificate, issued by Swedish Transport Agency

National certificate, issued by Swedish Transport Agency

Extract from Swedish Marine Registry, issued by Swedish Transport Agency

Permits for VHF radio, EPIRB, AIS and HF radio, issued by Swedish Post and Telecom Agency

Manuals for all equipment onboard (printed)

Raymarine manuals (PDF format & printed)

Raymarine – all software updated to latest versions (2014)

Diagnosis and hours of operations for each Webasto heater are specified

Book *Båten i vinteride* & conservation instructions

Deck

Adjustable genoa lead cars with leads to cockpit

Gangway with anti-slip protection, new (2013)

2 fender boards, new (2013)

Railing trim in teak

2 cleats, stem

2 cleats, midship

2 cleats, stern

2 open chocks, stem

4 open chocks, midship

2 open chocks, stern

Pad eyes for jack stays/lifelines – several

Man-rope openings, port and starboard

2 "glide strips" on horizontal cabin hatch, new (2014)

2 dampening pads for horizontal cabin hatch, new (2014)

Handgrip on vertical cabin hatch, new (2015)

O-rings on all 6 deck bushings – 2 for diesel tanks, 2 for waste water extraction, 2 for water tanks, new (2015), old as spares

Forepeak

Bow thruster, Max Power CT 100, 7 HP

2 propellers for Max Power, new (2014)
2 spare propellers for Max Power
Paint, Jotun, for bow thruster
2 72 Ah Bosch batteries for bow thruster, new (2012)
3 spare fuses for bow thruster, new (2015)
2 water tanks, 240 litres, cleaned in 2015
Filling and deaeration hoses for water tanks, new (2015)
Inspection hatches in stainless steel for each water tank, new (2015)
2 slatted bases, new (2014)
2 mattresses, new (2014)
Mosquito nets – canopy type, new (2015), not installed
Clothing hooks – several
4 LED lighting fixtures in ceiling, new (2015)
2 LED lighting fixtures above berths, new (2015)
3 Ocean Air shades
Power outlets: 2 12 V outlets and 2 230 V outlets

Mast, rig and boom

Performance equipment:

- Higher mast with increased sail area
- Tri-radial, full-batten Quantum mainsail with laminate construction of Mylar/Taffeta
- Dyform stainless steel standing rig
- Dynema running rig
- Adjustable backstay with gauge
- Rutgerson batten cars for mainsail
- Racing furler Facknor RX 300 with two tracks in the profile and removable drum
- Short racing pulpit for use with gennaker furler
- Gori propeller
- Performance standard keel with 2.15 metre draught

Lazy Bag/Stack Pack, ventilated/drained, 2-part with “hay stack”, new (2014) – all in UV-resistant material

Lazy jacks in Dynema, new (2014)

Furlex line, new (2015)

2 genoa lines, new (2015)

Raymarine radar, 2 kW

VHF antenna

Windex wind direction indicator, new (2014)

Anchor lights, LED, new (2015)

Tri-colour lights, LED, new (2015)

Spar boom for gennacker/genoa

Wichard mainsail halyard shackle, new (2013)

2 cleats for flag lines, new (2014)

2 flag lines, new (2014)

2 blocks for flag lines

8 turnbuckle covers, Robship, new (2014)

Horn, new (2015)

Speaker on mast, Hailer with stainless steel protective frame, new (2014)

Reflector tape at mast top & spare roll, new (2014)

LEDs in all lights including deck lighting, new (2015)

Registration designation “SHXO” on each side of boom, new (2014)

Removable inner forestay

3 blocks for mainsail halyard, new (2014)

Boom vang
Quick reefing with “lazy lines” for mainsail

Engine

All engine service has been performed by a mechanic from Eliassons båtvarv – reference available

Yanmar 4JH4 HTE, 110 HP, turbo-charged

Engine hours: 560

Turbo blades – reconditioned 2013

Rope cutter on propeller shaft

Stainless steel 35 mm propeller shaft

Sterling power alternator for battery charger with thermal cable, new (2014)

Exhaust elbow, new (2013), old as spare

Thermostat and thermostat housing, new (2014)

Oil and diesel filters, new (2014) & spares

Oil, new (2014)

Racor water-separating prefilter, new (2014)

Vetus seawater filter

Antifreeze, Long Life, new (2013)

Gori propeller with normal drive and overdrive – more info here...

https://www.youtube.com/watch?v=SCMr_j5Lk04

and here...

https://www.youtube.com/watch?v=-FLjqDaJe_Q

Gori propeller – polished and protected with Pyroshield (video-inspected by Sleipner, 2015)

Gori propeller, anode for hub, new (2015)

Gori propeller, anode for shaft, new (2015)

Gori propeller, 3 dampening pads, new (2015)

Chart table

Plotter, Raymarine E120

Charts for plotter, Navionics Gold XG45, Compact Flash

Fishfinder sonar module DSM300, Raymarine

VHF M603, Icom with DSC and Hailer function (2014)

HF/SSB radio, Icom 801 E with telephone receiver, external speaker and earth plane (2014)

Pactor modem PTC 3 (updated 2014)

2 intercoms, Cobra Micro Talk MT 800 with VOX headset, new (2014)

GPS antenna for computer, new (2014)

Charts for Open CPN navigation program for computer – placed on separate USB stick

Marking gun, Dymo Letra Tag with extra rolls, new in unbroken package (2015)

PC USB connection for Pactor modem

PC USB connection for plotter

USB charger, new (2015)

AIS receiver, Digital Yachts AIS 100, new (2014), spare – not connected

AIS transponder, Digital Yachts AIT 2000, with USB connection & USB cable, new (2015)

Splitter for FM/VHF/AIS, Digital Yachts SPL 250

“Silent/Stealth mode” button for AIS transponder, new (2015)

Brookhouse Multiplexer NMEA 0183

VHF radio (portable), Standard Horizon HX 270 E Submersible with charger

Weather station with outdoor sensors

Navtex, ICS electronics NAV 6 plus

Binoculars

Compass

Plotter

Battery box for “normal batteries” with compartment and gauge

Data plate with boat information/specifications, new (2014)

Sterling power alternator for battery charger, display with charging status, new (2014)

Batman BMV 600 S, Victron Energy, new (2014)

Inverter, Sterling Power 100 W, new (2014)

Power outlets: 1 12 V outlet and 1 230 V outlet

Gauge (analogue) for charging status for all three battery banks

Gauge (analogue) for power consumption for all three battery banks

Gauge (analogue) for voltage for all three battery banks

Gauge (analogue) for incoming voltage of power from land

Lamp for incorrect polarity of power from land

Navigation cabinet – lower

Cotter pins, rig bolts and locking rings – several

Hack saw

Socket spanners

Main switch for HF/SSB radio

Navigation cabinet – upper

Manuals

3 books about HF/SSB radio

DVD & manual – how to use and set your gennaker

Remote control for auto-pilot, Raymarine Smart Control

LED anchor light – removable

2 LED table “lanterns”, new (2013)

Cockpit light for suspension in canopy

Fan, 12 V, oscillating

Navigation chair

Anchor ball

Motor sailing cone

2 life vests, Baltic, inflatable with new cartridges and new triggering mechanisms (2015)

2 life vests, Seago, inflatable

Flares

Wooden plugs, new (2014)

4 safety harnesses

Manual recovery kit, Lewmar, for anchor winch

5 thermal protective aids (waterproof suits with low thermal conductance, orange)

Bosun's chair

Spotlight, 12 V with cord

Drift anchor, Para-Tech “Delta Drogue”

MOB tackle & rope

Sealing fabric “Paraply” – emergency hull patch

Flag, Sweden, 120 cm, new (2013)

Flag, Norway, 50 cm, new (2014)

Flag, Denmark, 40 cm, new (2013)

Flag, Denmark, 50 cm, new (2014)

Flag, England, 45 cm, new (2013)

Flag, Scotland, 30 cm, new (2013)

Flag, France, 40 cm, new (2013)

Flag, Spain, 45 cm, new (2013)

Flag, Portugal, 45 cm, new (2014)
Flag, Ireland, 75 cm, new (2013)
3 pennants, SXX Mediterranean Sailor, new (2013-14)
SXX Boj pennant, new (2015)
Pennant, Swedish Jeanneau Club, new (2014)
Pennant, Norwegian Jeanneau Club, new (2014)

Pulpit

Knife, new (2014)
Block for genoa furler, new (2014), not installed
LEDs in port and starboard lights, new (2015)
Dual anchor roller

Pushpit

Outboard motor, Mariner 3.3 HP, two-stroke, water-cooled (service 2015)
Bracket for outboard motor
Lock for outboard motor
Lock cable for outboard motor
Antenna for Navtex
Rescue sling, Plastimo, in bag, new (2013)
MOB rescue sling, "Hansalinan" type, new (2015), not installed
GPS antenna, Raymarine Raystar 125
Bracket for flag pole
Bracket for lifebuoy/electrical cable
HF/SSB antenna cable for isolated backstay, new (2015) & back stay clamp in stainless steel, new (2015) & spacer sockets, new (2015)

Lounge

Fire detector, new, not installed (2014)
Fire blanket
2 fire extinguishers, new (2014)
2 adjustable lights above stove and sink
Adjustable lights above sofa
Holder for four mugs/bottles with anti-glide surface, new (2015)
Fire port in engine hatch
Toaster
Electric kettle
Microwave oven
Kitchen accessories – utensils, glasses, wine glasses, etc. new (2014)
Pots, etc., new (2014)
Regatta porcelain, of durable melamine plastic with anti-glide bottom, new (2014)
2 Webasto control panels installed at port and starboard bookshelves
3 waste bins for sorting, new (2014)
Thermometer for hot water heater, new (2014)
Dual sink with cover that also serves as cutting block
Hot and cold water
Nozzle, new (2014)
Seawater foot pump
Storage/plastic containers – several
Speakers, Bose Acoustimass 3 series = 2 satellites & 1 sub-woofer
Sony CDX GT 210/212 CD and radio with LW, MW and FM with antenna
Cable between stereo and portable music players, new ((2014)
LPG alarm, Alde, new (2015)

LPG hoses for stove, new (2015)
Grab rails on ceiling
3 power outlets, 230 V
Grab rail, stainless steel, pole at chart table
2 grab rails on ceiling
Grab rail, stainless steel, along entire galley
5 LED lighting fixtures in ceiling, new (2015)
2 LED lighting fixtures at cabin entrance with dim and bright settings, new (2015)
Heat guard/protective plate to left of LPG stove, new (2015)
Upholstery, cream leatherette
Clothing hooks – several
4 Ocean Air shades
Red lamp (night lighting) at floor
EPIRB, Mc Murdo
Ventilation grill under stove for refrigeration compressor, new (2015)
Battery charger, Cristec, 60 A with 3 channels
4 Yanmar mats
Drying/pot cabinet (drained) with hatch in counter and LED lighting, new (2015)
Frigomatic refrigerator, approx. 130 litres with Danfoss compressor (service (2013) with storage boxes, counter hatch and stainless steel door and LED lighting, new (2015)
Freezer/refrigerator, Frigomatic with Danfoss compressor, approx. 70 litres (service (2013) with heat exchanger, storage boxes, counter hatch and LED lighting, new (2015)
Stove, ENO Le Chef, stainless steel, universal suspension, slinger rack, oven with grill, 4 burners and electric ignition
Stove, stainless steel, electric, 230 V with two burners & power strip with cable, new (2014)

Lounge – under stairs

5 large winch handles
1 small winch handle
3 “keys” for tank cap

Lounge – under the floor

4 Bosch 110 Ah batteries for general power consumption, new (2012)
1 Bosch 110 Ah battery for starting, new (2012)
Switch between start battery and consumption batteries, new (2015), not installed
2 electrical bilge pumps with level sensor (one pump, new 2015)
Manual bilge pump for bilge water in keel cavity, new (2014)
Oil change pump (vacuum), new (2015) with hoses for both oil and water
Vacuum cleaner, 230 W, with diverse nozzles
Hot water heater, 40 litres
Repair kit for Jabsco toilets, new (2013)
Fan for refrigeration compressor, new (2015), old as spare
2 high tension shackles – one on anchor, 10 mm, new (2015)
4 joint links, classified SWL 1250 kg, for Crossby anchor chain, 10 mm, new (2015)
Generator, 80 A, spare for one mounted on engine, new (2013)
Glasses and pitchers in plastic

Sails

North Sails in Gothenburg has performed all refurbishments and made a lazy bag – references available
Emergency sail, Watson, for inner forestay, approx. 15.5 m², adjusted and reconditioned (2014)

Gennaker, Watson, approx. 143 m², with sock, adjusted and reconditioned (2014)
Mainsail, Qvantum, approx. 55 m², with laminate construction of Mylar/Taffeta, three reef points, cleaned with Vacu-Wash and reconditioned (2014)
Genua, Qvantum, approx. 64 m², with laminate construction of Mylar/Taffeta, cleaned with Vacu-Wash, reconditioned and new tell tails (2015)
Genua, Qvantum, approx. 67 m², with laminate construction of Mylar/Taffeta, cleaned with Vacu-Wash, reconditioned – new UV protection, new radar protection, new tell tails, new luff compensator and three reef markings (2014)

Cockpit

Comand Microphone/VHF radio, Icom
Button for horn
5 padlocks, new (2014)
Pad eyes for lifelines
2 brackets for winch handles, new (2014)
Strain relief with new text strips (2014)
Controller for bow thruster, Max Power, new (2014), old controller as spare
Plotter, Raymarine E 120
Plotter with sonar, Raymarine A 50 D, new (2015), sonar not installed
Autopilot, Raymarine ST 6002 with S3 G drive unit and gyroscope
Tridata/wind instrument, Raymarine ST60. Master on starboard side, slave on port side
Anchor remote control, Quick, with chain counter installed on starboard wheel
Protective covers for all instruments
Compass at port wheel (1 spare)
Charging outlet, 12 V
Table lighting
Teak table (renovated 2014)
Knife on cockpit table
Integrated mug holder in teak table
Mug/bottle holder at front edge of teak table
Stowage compartment in teak table
Separate plastic storage box in teak table with lid
Teak on benches and floors but not on the deck
Motor controller Vetus, stainless steel, new (2014), old as spare
2 wheels with chain/cable to rudder quadrant (reconditioned 2014)
2 wheel covers (reconditioned 2014)
Table cover (reconditioned 2014)
Bilge pump, manual
3 petrol cans (red, 8 litres each) for outboard motor and electrical power plant
Diesel can (black, 20 litres, for diesel fuel)
Cockpit canopy, new (2012)
Speakers, Bose 131, watertight, new (2014)
6 winches, Harken, automatically retracting of which one is electric on port cabin rood (service 2014)
Spray hood, large (2014)
Shower with hot and cold water

Cockpit storage, starboard

Life raft, Seago, 6 persons, packed in bag
Eye bolts for securing triggering line for life raft, new (2015)
Emergency steering
2 water hoses, new (2014) & 3 tap couplings
Prefilter/coarse filter for water hose, new (2015)
3 buckets

3 grab bags
Bag for ropes, new (2007), not installed
Jack stays with shackles
Gennaker guys, 1 red & 1 green
Halyard for gennaker
3 trim blocks for gennaker
Preventer guys

Cockpit storage, starboard

Isolation transformer 3,600 W, 16 A, Victron Energy, new (2014)
Switch for isolation transformer, land/water earth
Earth-fault breaker
Main fuse
Electricity meter for 230 V cable
Electrical cable for power from land – one short & one long
Adapters for various electrical outlets
Tuner, Icom AT 141, for backstay antenna
Webasto 5,000 W (5.0 kW), new burner & filter (2014), heat to lounge, stern cabins and starboard washroom

Cockpit storage, port

Electrical plant, Kipor Inverter IG 2000 Sinemaster (2 kW), running time approx. 90 hours – log book, new (2009)
Rubber mat for electrical plant
Boat hook, Hook and Moor, Robship, new (2014)
Mooring lines – sufficient amount
Boat hook
Anchor & line for rubber boat
Line (8 mm/100 m?) on reel
Swedish flag, 150 cm – on teak pole (2014)
2 chains, approx. 1 metre for dislodging anchor
4 grab bags

Cockpit storage, stern port

Fortress/Danforth anchor with 30 metres 10 mm DIN 766 calibrated chain & 45 metres 16 mm spliced multi-braid line
Fuel funnel with dual water-separating filter, Racor, new (2014)
12 cushions in storage bags, new (2014)
Webasto 3,500 W (3.5 kW), new burner & filter (2014), heat to lounge, forepeak and port washroom

Cockpit storage, LPG compartment, port

2 LPG tubes
LPG hose for tubes, new (2013)
Leakage indicator for LPG system, new (2014)

Hull

Kevlar reinforced – “Kevlar Energized”
Name plates “Moonshadow”, 2 large, 1 small & 1 name plate “Varberg”, new (2015) – not mounted
Craft Identification Number (CIN), new, on starboard stern (2015)

Markings for lifting straps (spares in/at chart table)

Anti-fouling paint, Hempel Mille Extra Navy with two coats at waterline, on rudder and front edge of keel, new (2015)

Solar panels

2 solar panels, 120 W, new (2015)

Connectors in anchor well, new (2015)

Solar Regulator MPP 250 Votronic with thermal cable (2015)

Solar Computer Votronic, new (2015)

Tinned cable on connector in the deck contact leading to the regulator, new (2015)

Storage compartment behind anchor well

Remote control for anchor winch

Holder for remote control

Anchor relief – Wichard chain hook, HT shackle, joint guard and 6 mm, 16 mm multi-braid

Anchor hook with lines

4 extra large fenders, 7 large fenders, 5 small

Ball fenders – large, new (2013)

FenderStep

Lock for hatch, new (2015)

Valve with lid

2 winch handles, small, for anchor winch

2 brackets for winch handles for anchor winch

4 sail bags (besides those for gennaker, emergency sail, mainsail and genoa)

Deck cleaning brush with hose connection, new (2015)

Mop with microfibre fabric and hose connection & extra microfibre fabric, new (2015)

Rubber boat (approx. 2.7 metres) for max. 10 HP with wooden floor, inflatable V-bottom, 2 oar pairs and storage bag

Washroom, port

Septic tank, 50 litres

Deck extraction

Duckboards, new (2015)

Hot and cold water

Mirror, new (2015)

Soap pump, new (2014)

Shower curtain, washed (2015)

First aid box

Bags for toilet paper

Bucket for toilet paper

Clothing hooks – several

Lighting, adjustable above sink

2 LED lighting fixtures in ceiling, new (2015)

1 Ocean Air shades

Washroom, starboard

Septic tank, original Jeanneau, 50 litres, new (2015)

Deck extraction, new (2015)

Table bushing with tap, deaeration and toilet hoses, new (2015)

Hot and cold water

Door mirror, new (2015)

Soap pump, new (2014)

Shower curtain, washed (2015)

Toilet paper roll holder, new (2014)

Bags for toilet paper

Door stop, new (2014)
Clothing hooks – several
Lighting, adjustable above sink
2 LED lighting fixtures in ceiling, new (2015)
1 Ocean Air shades

Not on boat (included in purchase)

Battery Full River HC100 AGM for starting, new, (2015), not installed & transport cart
Entrance hatch, new, not installed
2 cockpit benches, new, unattached, not installed
Drum for running outboard motor on land, new (2014)
Stool for “small office”/make-up table in forepeak
Oil clean-up fabric, new (2015)
Surplus material for Lazy Bag
Drying balls – 4 containers
Electric heating fan, new (2014)

Surplus material for duckboards in port washroom
Horn, spare, new (2015)
Several containers for oil and/or antifreeze change
Waste bin/bracket– original
Boat care products – several
Anti-fouling paint Hempel Mille Extra Navy, new (2015)
Work bench, saw horses, chairs & wooden sheets for trailer

Not on boat

Trailer – the boat is stored indoors and can be rented or purchased

Superstructure: all glossy surfaces on deck and in cockpit

Polished and waxed (2015)

With reservation for possible inaccurate descriptions

Accessories on the boat – and that are not on the equipment list – can remain on the boat subject to special agreement.

The information used in preparing the equipment list has been provided by the owner. While Båtagent has not had the opportunity to go through the equipment in detail, the information is assumed to be correct, although this cannot be guaranteed by Båtagent.
