Build no.: 171

Engine: Yanmar 3YM20, 21 HP/SD20 (New 2012)

2-blade folding prop.

Engine No.: 02809

Engine hours:

General description:

The Contrast 33 is a classic, and the first model was launched in 1979.

Over 250 boats have since been built, which speaks to the fact that the model has been thoroughly worked out.

The boat is designed by Rolf Magnusson who is known for designing easy-sailing and fast family boats, with a well-thought-out deck layout and below deck interior.

The cockpit is large, and you sit comfortably, also on the cockpit frame. All halyards are led back to the cockpit.

The hull and deck are hand-made sandwich laminate. Stainless steel tanks, Seldén 5/6 rig and lead keel.

All in all, a solid quality boat that still to this day offers lots of sailing pleasure.

Note, new engine in 2012.

Contact responsible broker Lars Legarth for further information and for an appointment to see the boat.

The list of equipment is based on information supplied by the owner. Any equipment in addition to what is listed above is at the seller's discretion.

Specifications:

LOA 9,85 m
LWL 8,30 m
