Diesel: 90 l

Water: 180 l

Balckwater: 55l

Design: Stefan Qviberg

Equipment

History of the boat

Arcona no 5. 1997. Teak decks and teak in the cockpit. Built at Hunnebostrands yard, where the first 5 of the Arcona 38 were built. The boat has always been stored indoor during the winter months. In its first ownership the boat was in storage and complete service with the yard that built her, Hunnebostrands båtvarv. The current owner acquired her in 2007, sail approx. 700 nm per season and has continually upgraded the boat as well as stored her indoors during the winter months.
