NAJAD 440 AC

NAJAD 440 AC

Sharing the same hull and underwater appendages as her Centre Cockpit sister, the Najad 440 Aft-Cockpit is a very attractive looking yacht and is generally regarded as the more 'sporty' version of the two. For an enthusiastic crew the most visually striking aspect is likely to be the large 'Mediterranean-style' cockpit with twin helm stations. With this much space available, the cockpit is also a very sociable place to entertain family and friends when either under way, or when lying to anchor in a quiet bay.
