

Sunseeker Predator 74 ÅrsmodeLL 2009

Sunseeker Predator 74 is a truly stunning 22 meter motor yacht, renowned for its impressive performance, comfort and design.

A glass wall with a large sliding door separates the sun deck from the main saloon. Here you will find a comfortable leather couch and dinner table, a pop up flatscreen TV with Chromecast and surround sound and built-in 4G connectivity - and ideal setting for entertaining guests in the comforts of home. Along the port side of the saloon you will also find stowage, a large bar cabinet and a state-of-the-art wine fridge.

The stern of the yacht features an expansive aft deck where the owner and guests can socialise and relax in the sun.

At the front of the galley is another dining table with seating for up to 6 people, perfect for relaxed meals or movie nights.

A staircase on the port side leads down to an efficiently designed and well-equipped galley.

- Induction stove (Gaggenau)
- Fridge and freezer (Sunseeker model)
- Dishwasher (Bosh)
- Microwave oven (Sharp)

Two large bedrooms are located to the fore and aft of the galley and feature tables and seating areas, in addition to connected suite bathrooms.

The starboard side of the yacht features a third double bedroom, with a separate suite bathroom.

Each cabin has its own elegantly designed suite bathrooms.

Three spacious bathrooms equipped with both showers, cutting WCs and heated towel rails.

The large and easily accessible engine room. Two Caterpillar C32, 1652 Hp diesel engines, as well as all other technical equipment. (450 engine hours). Last serviced in 2015/16

A functional cockpit with Raymarine navigation equipment.

An elegant and aggressive hull, designed by B. Olesinski at Sunseeker Yachts.

Hydraulically operated swim platform, which opens up to reveal a water garage for the yacht's Avalon 320 Jet tender. Electric gangway.

(JetSki i an option)
