Build No.: 70119

HIN/WIN No.: NLWaL0019E000

Engine: Volvo Penta MD2020

Engine No: 5102325797

General description:

For a perfect day on sea, canals or lake!

A classic silhouette optimized for modern-day cruising; the Captain's Launch was the first boat to carry the Wajer Name. Take her out to sea, around the canals or across the lake and listen to the quiet droning of the engine with the wooden helm in one hand a drink in the other.

The Captain's Launch is a fiberglass boat with a fabulous wooden interior. The classic lines of the double-hull fiberglass are based on the English launches from the 1920s and universally renowned for their elegance and superior seaworthiness.
