Privately owned/EU VAT paid

#### **General information about safety equipment**

All safety equipment, e.g. life raft, EPIRB, fire extinguisher, emergency flares etc. is to be considered personal equipment and the skipper's responsibility to keep up to date. Safety equipment included in the equipment, as listed above or left on board as agreed, may need service and/or updating or completion to meet the needs and wishes of the new owner.

*The information on the equipment list is provided by the boat's owner. Båtagent has not had the opportunity to go through the equipment detail by detail, the information is expected to be correct but cannot be guaranteed by Båtagent.*
