Engine: Volvo Penta MD2040, 3 cyl. 40 HP

3-blade Flex-O-Fold folding propeller

Engine No.:

Engine hours:

General description:

Here you will find a well-maintained and fully updated example of the popular Arcona 400 in a 3-cabin version.

Complete new electrical installation, battery bank and navigation.

With more than 150 boats produced over a 15-year period, the Arcona 400 has manifested itself as a stylish and solidly built quality boat in the popular 40-foot class, where competition is fierce. At the same time, the boat has distinctly good and safe sailing performance and is therefore still a very sought-after boat on the second boat market.

Contact responsible broker Lars Legarth for further information and for an appointment to see the boat.

The list of equipment is based on information supplied by the owner. Any equipment in addition to what is listed above is at the seller's discretion.
