*The information on the equipment list has been provided by the boat's owner. Boat Agent has not had the opportunity to review the equipment in detail, the information is expected to be correct but cannot be guaranteed by Boat Agent.*

3-burner gas stove with oven, Princess

Micro

Heat pump/AC runs via generator or shore power.

AC function a little low, probably needs to be refilled with refrigerant

VHF

2 shore power outlets

Inverter

Hot water, via generator, or shore power or via engine running heating

Refrigerator, freezer (the refrigerator on the upper deck has a rusty door)

Electronic controls,

Furuno Radar

VHF

Plotter, also on fly bridge

Autopilot (out of order, too much deviation)

Life raft (needs recertification)

Bimini plus full-coverage canopy for fly-bridge

Stereo

Gas grill on fly bridge

Deck lighting

Service documentation available.

Current owner has owned the boat since 2017

The boat has always been stored in a heated garage.
