General description:

Here you will find a well-maintained and fully updated example of the popular Arcona 370 in a 2-cabin version.

The Arcona 370 has manifested itself as a stylish and solidly built quality boat in the popular class, where competition is fierce. At the same time, the boat has distinctly good and safe sailing performance and is therefore still a very sought-after boat on the second boat market.

Contact responsible broker Lars Legarth for further information and for an appointment to see the boat.
