Build no.: 113

Engine: Volvo Penta MD2040/130S, 40 HP

Engine No.: 868846 /5217242

Engine hours: 1.500

General description:

Dufour Yachts is known as the French high end sailboat vault, where the focus is on quality, spaciousness and good stable sailing performance. The 385 Grand Large is no exception. The boat was designed by Umberto Felci who gave the Dufour brand a more modern look, with the 385 Grand Large being the frontrunner for this design when it was introduced in 2005. A boat that just created enthusiasm among the boat magazines for its innovative design combined with modern lines, spaciousness and good sailing performance. All done in good quality.

Contact responsible broker Lars Legarth for further information and for an appointment to see the boat.
