The **Sea Stella 40 Sundeck Aft Cabin** features a tri-level, two cabin, two head layout designed to maximise interior volume and outdoor entertainment space. Its signature aft-cabin configuration splits the living quarters to opposite ends of the vessel, offering excellent privacy for extended cruising.

1. Main Deck & Saloon

- **Main Saloon**: Positioned amidships with large panoramic windows, satin wood finish, and an open layout.
- **Lower Helm Station**: Situated on the starboard side of the saloon, complete with an adjacent side-access door leading directly to the walk-around side decks.

2. Lower Deck Accommodations

- **Master Stateroom Aft:** A spacious, full-beam owner's cabin located in the stern. It includes a walk-around double/queen bed, built-in cabinetry, wash machine, safety box and dedicated access to its own private en-suite bathroom. It has it's own air-conditioning or diesel air heating. It also features an emergency/utility exit leading out to the rear swim platform.
- **Forward Guest Cabin Bow**: A double-bed arrangement at the front of the vessel. It features built-in wardrobe, a small seating area, and direct access to the second day-head/bathroom. It shares air-conditioning with the saloon and has outlets for diesel air heating.
- **Galley**: Featuring stainless steel sink, an upright fridge/freezer, LPG Smeg cooktop, and a microwave/oven. Coffee brewer, water boiler. Sea and fresh water taps.

3. Exterior & Upper Decks

- **Aft Sundeck (Entertainment Deck)**: A raised, covered rear deck situated directly above the aft master cabin. This area is fully closable with side covers with clears and functions as a primary social space, equipped with a drinks fridge/bar area.
- **Flybridge**: Accessed via steps leading up from the aft entertainment deck. It houses the upper helm station, extensive wraparound lounge seating, and offers 360-degree visibility.
- **Decks & Stern**: Wide, secure walk-around side decks run the length of the boat. A transom ladder links the upper sundeck down to the integrated swim platform with a folding swim ladder.
