Responsible broker: Lars Legarth, email: lars@baadagent.dk, phone: +45 4054 8722

HIN/WIN No.: SE-ARC43010D909

Engine: Yanmar 3JH4AE, 40 HP, 4 cyl.

3-blade Flex-O-Fold folding propeller

Engine No.: E08459

Engine hours approx.: 1.750 hrs

General description:

Here you will find a thoroughly maintained and fully updated example of the popular Arcona 430 in a 3-cabin version. Among many others, we can mention a carbon fiber mast with a new clear coat. The boat has always been stored inside a boat hall for the winter.

With more than 60 boats produced over an 11-year period, the Arcona 430 has manifested itself as a stylish and solidly built quality boat, which has manifested itself as one of Arcona Yachts' greatest successes among their performance cruisers. The boat also has distinctly good and safe sailing performances, which was confirmed with the victory as European Yacht of the Year in 2

Contact responsible broker Lars Legarth for further information and for an appointment to see the boat.

The list of equipment is based on information supplied by the owner. Any equipment in addition to what is listed above is at the seller's discretion.

Specifications:

LOA 13,15 m
LWL 12,05 m
