Build no.: 8

Engine: Volvo Penta D1-30/130S, 30 HP (New 2005)

Engine No.: 5102026956X

Engine hours approx.: hrs

General description:

The Luffe boats are known, not only in Denmark and Scandinavia, but in large parts of Europe for beautiful sleek lines with good sailing performance and great speed potential combined with solid craftsmanship with well-thought-out details and individual solutions that stand out from the crowd.

Here you will find a well-maintained and updated example of Luffe 44 from the legendary Luffe Yachts, which for more than 50 years has developed sleek, beautiful sailboats. Luffe 44 is the second in a series of boat designs throughout the shipyard's more than 50 years of history.

The boat has only had 2 owners, who have both looked after and cared for the boat and continuously kept it updated.

Contact responsible broker Lars Legarth for further information and for an appointment to see the boat.

The list of equipment is based on information supplied by the owner. Any equipment in addition to what is listed above is at the seller's discretion.

Specifications:

LOA 12,65 m
