General description:

Here is offered a well maintained and updated copy of the popular Comfortina 35 and with two owners only. The boat is equipped with infurling mast and self-tacking jib, for easy handling.

The Comfortina 35 is known for its beautiful and classic design with good and safe sailing performance. Even with its classic design this model is still a popular boat also because of the excellent craftmanship and spacious and high-quality interior.

Below deck to the port is a well-organized pantry. Behind the pantry is a spacious cabin with double bed and storage. To starboard a toilet with wet storage also with access from the cockpit. The salon has a large salon table and a classic navstation. In the bow is an enclosed cabin with a spacious double bed.

Everywhere in the boat, the space is used to the maximum with cupboards and drawers for storage.
